

About Mitchelton Pre-Schooling Centre Inc.

Mitchelton Pre-Schooling Centre, affiliated with C & K (Creche and Kindergarten Association), is a community based, non-profit organisation managed by a committee of parents elected annually.

With 60 years of continuous operation, we are widely acknowledged as a well resourced centre with an enviable reputation for providing high quality education for young children.

Affiliated with Creche &
Kindergarten Association

The Staff

Each of our groups are led by a very experienced teaching team consisting of Teacher and Assistant. All staff have specialist early childhood qualifications. Our Directors are recognised leaders and educators in play-based curriculum, sharing their skills through publications and workshops.

Everyone helps pack away

Why choose Mitchelton Pre-Schooling Centre?

Mitchelton Pre-Schooling Centre is a place for children to play, feel safe and be valued for who they are.

We foster the belief that children are competent, capable learners and we respect their individual differences.

Filled with doctors, the ambulance rushes the sick babies to the hospital

The Environment

Our indoor and outdoor play spaces are specifically designed for children from 3 years of age and are nestled amongst established trees and gardens.

What can be seen from a perch in the tree?

How will my child benefit from attending?

Play is the most effective way of discovering and learning. In our play-based curricula, children experience opportunities to:

- develop social strategies by interacting with other children and adults
- think creatively, problem solve, take risks and make decisions
- communicate, express themselves and try out their own ideas through language, art, dramatic play, music, movement and dance
- develop responsibility and independence
- increase strength, agility, co-ordination and control.

Constructing equipment for a trip to space

Programs reflect current early childhood education theory and practice.

Our quality play-based programs help to prepare each child for a smooth transition to Prep.

OK Care

The Outside Kindergarten Hours Care Program (OK Care) aims to provide a relaxed, caring environment before and/or after their Pre-Prep program. The OK Care Program does not operate during vacation time.

Hours: Monday to Friday
7.30am to 9.00am
2.00pm to 4.30pm

A day fishing

Attendance Options

The Centre runs its programs during school terms. Children enjoy the stability of the same group each day, with both members of the teaching team interacting with the children for a full day every day.

Mitchelton Pre-Schooling Centre offers places to our focus group, children 3.5 years to 4.5 years (the year prior to Prep). Where further vacancies exist, places will be offered to children who are 3 to 3.5 years.
